

*Game of
thrones*

What is game of thrones about?

- The first story arc follows a war of succession among competing claimants for control of the iron throne of the Seven kingdoms, with other noble families fighting for independence from the throne
-

Average
earning per
episode per
season

Why is it my favorite?

It is my favorite because
each season the story
becomes more interesting
and there are always new
ideas coming up.

Game of thrones won 59
emmy awards
